Sunday, 8/11 at the Trial Garden was the North Atlantic Dahlia Conference Judging Symposium. There were about 30 judges from the Northeast attending a refresher course in the fine points of judging at an ADS dahlia show. Six experienced judges led the various sections with Marge Schmeer CDS and Warren Gramman MIDS/LIDS co-chairing the event. Additional judges that led the symposium were Bill Allgeier, Dennis Kirchner, Kevin Wasilewski, and Steve Nowotarski. [Click here](#) to view a larger picture of the attendees.

Many thanks to James Bello and everyone at the Eisenhower Park Sign Unit for the magnificent NADC conference banner.
