

PLANTING FIELDS

VOLUNTEER OF THE MONTH

Kathy Feher

You might say that Kathy Feher danced her way into membership at Mid Island Dahlia Society (MIDS) in 2017. An avid line dancer, Kathy befriended a woman at a line dancing class that was a dahlia grower. After a few glances at these amazing flowers that this woman would bring to class, Kathy was hooked.

Today, Kathy serves as Membership Chair and Treasurer of MIDS. You can find her at Planting Fields every Wednesday working in the dahlia garden with fellow volunteers that she considers family. Speaking of family—one of her grandchildren is a budding dahlia grower thanks to Kathy's encouragement and supply of tubers! You can always tell a serious gardener when the lawn begins to disappear, and flowers fill the space. Kathy grows and enjoys over 80 varieties of dahlias in her ever-expanding home garden.
